Case No.: CR. S-05-128 LKK

STIPULATION AND ORDER

RE: 18 U.S.C. §§ 4241(b); 4247 (b) & (c)  
FOR DEFENDANT JAMES KALFSBEEK

16 This matter came on regularly for hearing on March 17, 2009 at 9:15 a.m. for status  
17 conference. The United States of America was represented by Assistant U.S. Attorney Steven  
18 Lapham. Defendant James Kalfsbeek was present and represented by his counsel, Scott L. Tedmon.  
19 During the hearing, defendant Kalfsbeek made assertions which caused the Court to believe that  
20 defendant Kalfsbeek may presently be suffering from a mental disease or defect rendering him  
21 mentally incompetent to the extent that he is unable to understand the nature and consequences of  
22 the proceedings against him or to assist properly in his defense. As such, the Court ordered a  
23 psychiatric examination defendant Kalfsbeek.

24 The parties agree that the Court should designate Soroush Mohandessi, M.D., as the  
25 examiner. The examination shall be conducted locally.

26 The examiner shall file a report with the Court with copies to the defense and the  
27 government. The report shall include:

28 (1) the defendant's history and present symptoms;

- 1 (2) a description of the psychological tests which were employed and their results;  
2 (3) the examiner's findings; and  
3 (4) the examiner's opinions as to the diagnosis, prognosis and -  
4 **whether the defendant is suffering from a mental disease or defect rendering him**  
5 **mentally incompetent to the extent that he is unable to understand the nature and**  
6 **consequences of the proceedings against him or to properly assist in his defense.**

7 The parties further agree that the Court should exclude time from March 17, 2009 until April  
8 14, 2009 based on Local Code A and 18 U.S.C. § 3161 (h)(1)(A).

9 DATED: March 19, 2009

Respectfully submitted,
